Powering Ahead For Our Future "Kia haere kaha mo apopo"

Dates to Remember

Friday 13th March Pancake Palace open from 8.30am
Friday 13th March Bush Swimming Sports
Friday 13th March School Assembly @ 2.15pm in School Hall
Mon 16th March Technology

Come join us every Friday during term time for the best breakfast in Woodville.....only \$1.00...pancake served with cream and maple syrup.....and a super smile.....Yum!

Thanks to all those parents and supporters who came along to the junior swimming display and senior swimming sports. It was fantastic to see so many supporters there and we know the children love to have that support when they are taking part.

The students from Kakano have been working on a range of activities. Thanks to all the Kakano kids who have been helping Mr McGirr to make a mud kitchen for the sandpit. It is always more fun if you can help make it yourself. On the weekend we were able to install it and our students are now having lots of fun playing with it. We are now thinking about our next hands-on project that we can get underway.

Have a fantastic week everyone.

Gerry McGirr
Principal

Simple free download:

In Google Play & App Store search 'Skool Loop' & choose our school once installed.

Woodville School Garage Sale

As you may have seen, the school garage sale is coming up on Saturday 4th April. We are looking for helpers for this.

Helpers are needed to run this. We will need people for the Thursday afternoon and / or Friday to set this up as well as manning the sale on the Saturday.

If you are able to assist at any of these times please let Melanie know on 021 344 992.

Any donations can be dropped off at the school office, thank you!

Kakano Kids

In Kakano we always work hard to show our POWER values. Kathy has shown EXCELLENCE by being the first person to obtain her award for reading 25 times at home. Aroara showed WHANAUNGATANGA by bringing in beautiful blackberries from home, we enjoyed them with ice cream. We all show PERSISTENCE, ORGANISATION and RESPECT everyday as we work together on real life learning activities like seeing what we can create together out of tires. We really want to work towards making a tree hut and going camping where we can cook our own sausages on a campfire.....
