Thank you to our team of sponsors

Finally, we would like to to take this opportunity to thank our fantastic team of sponsors, without them there is no way we could have even put the day on - let alone make it the success it was.

Particular mention needs to be made of the amazing assistance we recieved from NZTA, Tararua District Council and Horizons Regional Council. It was just incredible the way they helped us with the extra things we needed from the maps you all received at check in to the drinking water station along the way.

A special thanks has to go to Meridian and all the landowners along the route - we truly appreciate you letting us do this!
